## WORLD WATERPARK

This tropical paradise boasts the world's largest indoor wave pool and more than 17 unique waterslides and play features. World Waterpark has opened a new upgraded private rental space for guests. There are three whole-day rental spaces available and each area will include: Two soft-seating couches, one table with four chairs, four lockable cubby-holes and a washroom key, and six complimentary towels.

Be apart of new and upcoming events and one of a kind experiences offered only at the World Waterpark: West Edmonton Mall offers surf lessons at World Waterpark to guests ages 10 and up and a surf club for those who want to improve their surfing skills and fitness and surf year-round in a safe, controlled environment.

West Edmonton Mall and Connected Entertainment introduce Soundwave, Canada's largest indoor beach party. Revel in World Waterpark's 31C° climate while enjoying huge sounds from Famous DJ's all over the world!
